## Editorial Tools To Increase Your Company’s Marketing Efforts

Press releases submitted for publication on our homepage Daily News are viewed by over 150,000 unique visitors per month. The text and photos, as well as links to your contact information are stored in our Daily News Archive. You can send your news item directly to your clients from our website. If we publish your article, we will send you a formatted PDF to post on your own website or use in your marketing efforts. When the issue of *U.S.Tech* in which your article appears is published, the full issue, including advertisements, is presented in our digital edition and archived online. You can forward links, pages, articles, or the entire issue to your clients and colleagues.

Have you written a white paper recently? Visit [www.us-tech.com](http://www.us-tech.com) and use our white paper upload tool to post your documents for readers around the globe to access. Send us an e-mail to let us know you have uploaded a file so we can make it available to the public. When a reader anywhere in the world downloads your White Paper you will receive an e-mail with the name and e-mail address of that reader.
